If the above procedure is not followed, **you** will break a condition of the **policy** and **we** may not meet **your** claim.

Settling Claims

Buildings Section We will decide whether to repair, replace or reinstate the **damaged** part of the buildings. **we** may do this by using one of **our** suppliers. **we** will pay the full cost of the work, including any professional, demolition or local-authority costs or fees **we** have agreed, as long as the work is finished without delay; however, **we** will not pay more than the cost of the repair or replacement or any amount in excess of the declared **sum insured**. If the repairing or replacing is not carried out, **we** will pay the amount by which the **property** has gone down in value as a result of the **damage** or the estimated cost of repair, whichever is lower.

We will take off an amount for wear and tear if the buildings are not properly maintained or in a good state of repair.

Contents Section We will pay the full cost of replacing or repairing any **damaged property** as new. **we** may do this by using one of **our** suppliers. If the item cannot be repaired or replaced, **we** will pay the cost of an equivalent replacement.

We will take off an amount for wear and tear:

- On household linen;
- For **property** that does not belong to **you** but **you** are legally responsible for, unless **you** are legally bound to replace the property, as new, under the terms of an agreement.

The **sum insured** for landlord's **contents** will not be reduced following payment of a claim.

Claims Settlement

Following **damage** by an insured peril, and subject to the adequacy of the **sum insured**, **we** will pay the full cost of repairing or replacing the **damaged property/buildings** or **contents**. The most **we** will pay is the limits shown in the **policy** or the **sum insured** shown in **your certificate**.

When **we** pay **your** claim **we** will take off the **excess** shown in **your certificate**.

We can choose to settle **your** claim by replacing, reinstating, repairing or by payment. If **we** are able to replace, payment will be limited to the cost of replacement by **our** preferred supplier. **we** will not pay for **property** that does not belong to **you**, unless **you** are legally responsible for the cost of replacement, as new, under the terms of a valid agreement.

The **sum insured** by each item or section is declared to be separately subject to average i.e. if such sum shall at the commencement of any **damage** be less than the reinstatement cost of the **property** covered by such **sum insured**, the amount payable by the **Underwriter(s)** in respect of such **damage** shall be proportionately reduced.

We will not pay for loss of value resulting from repairs or replacement of **damage** to the **property**.

If the **property** is **damaged** by any peril insured then **we** will either:

- Pay for the reasonable cost of rebuilding or repairing the **damaged** parts;
- Make a cash settlement; but **we** will not pay more than it would have cost to repair the **damage** if the repair work had been carried out without delay. No allowance will be made for VAT when a cash settlement is made.

In the event of **damage** to matching set groups and collections, **we** will not pay for the cost of replacing or changing any undamaged item or parts of items forming part of a pair, set, suite or other article of uniform nature, colour or design when **damage** or breakage occurs within a clearly identifiable area to a specific part and replacements cannot be matched.

The maximum amount payable in any **period of insurance** in respect of **damage** to the **property** by the perils insured plus additional expenses shall not exceed the **sum insured** shown in the **certificate** as adjusted in accordance with the Inflation Protection and Extensions and Alterations clauses and any amount excluded under the perils insured.
